The following paper was read at the Central Union Church, at its morning service, Sunday, November 10th, by Wm. A. Bowen, and is now printed at the suggestion of Pastor Birnie and other friends of the Portuguese mission:

THE ENCOURAGEMENTS OF 1890.

The whole Mission is unanimously in favor of and in hearty endeavor to bring about the new church. Mrs. Soares hoped for it and prayed for it. Her whole heart was in it. She was a great winning power for Christ. The children are keen and intelligent, and they desire it. Indeed, I have never seen children reader to respond than they. Investments of money in their behalf will bring sure Portuguese, the nucleus from which have, as their parents have today, the full rights of citizenship, a great responsibility rests upon us all, and rests upon us now.
